This book is designed to present a general idea of the student life at West Edgecombe from the class of '71 through the class of '59. We hope that all of our students have received mental and moral reinforcements this year that will prove beneficial to them throughout their lives. Our sincere congratulations are extended to the Seniors for their many worthwhile accomplishments, and we hope that the time they have spent in West Edgecombe has been pleasant and that the knowledge and understanding they have gained will serve them well in all the years ahead.

RESOLUTION

"He who resolves upon any great and good end, has, by that very resolution, sealed the chief barrier to it. He will find such resolution removing difficulties, searching out or making means, giving courage for despondency, and strength for weakness, and like the star, star to the wise of old, ever guiding him nearer and nearer to perfection."
